Do You Know...LARC's Cafeteria

Did you know LARC's St. Anne Cafeteria serves hot meals 5 days per week? Cafeteria managers Ms. Jodi and Ms. Danna supervise 5 individuals in preparing, serving and cleaning of the cafeteria.

Ms. Jodi and Ms. Danna said "We work with the individuals to prepare them for working in the community. They are required to perform all of the task a cafeteria in the community would require them to do. All of the individuals work hard and want to make each patron a good meal".

St. Anne Cafeteria is operated completely by donations. The cafeteria does not receive any State or Federal Funding. For

the price of \$2.50 per day, the patrons receive a balanced hot meal. Each meal is approved by the Nutritionist.

Sponsorships tare available through the Cafeteria Fund that would help pay for the meals of individuals who need financial assistance in paying for their meals. You can sponsor for a week, month or year.

LARC is grateful to Second Harvest and Walmart for the generous donations. Without their support and donations from the public, the Cafeteria would not be able to operate.
