

Group Volunteer Opportunity allows your company to select dates that employees come out and help for the night. Volunteers are needed in concession, selling raffle tickets, gift shop, photos with Santa, and as Frosty and Rudolph. If you have teenagers that need service hours, this is a perfect way to volunteer. Sponsorships available call or email for more information.

In addition to helping in the mentioned areas, your company can set up a table with giveaways for the visitors. Wearing company t-shirts helps identify your staff as volunteers.

No sponsorship is too small - you make a difference in the lives of people with intellectual and developmental disabilities.

Noel Acadien is the major fundraiser for LARC. Since 1952, LARC has been dedicated to serving the needs of individuals in our community with developmental and intellectual disabilities and their families. Throughout LARC's existence, we continue to expand to fully involve the people we serve into the workforce and community.
